

Lions KidSight USA Vision Screener Training

Lions KidSight USA offers a free certification training for Vision Screeners (Cameras). Vision Screeners covered in this training are the Welch Allyn's Spot Vision Screener and the plusoptiX S12 Vision Screening Device. This training program does NOT include training for vision charts.

Review the materials section prior to starting your training. There is a 50 question open book exam at the end of the training.

Materials needed:

1. It is recommended to use a computer/laptop and not a Tablet (iPad) or SmartPhone for the training.
2. Test: The test is a 50 question exam residing on the website <http://e-district.org/sites/kidsightusa/page-11.php> . This test is an open book test.
 - a. Log into the Members Section located at the left with the WI general user login:
 - i. **Username: WI27**
 - ii. **Password: KidUSA**
 - b. Google account: The test is created in Google Docs. You will need a Google Username and Password to begin the exam. If you already have a Google account/Gmail account, be able to enter your password.
 - c. Know your: **District, State, and LCI Membership ID#** for the test. (See your club Secretary if you do not know your Member ID.)
