2024-25 Lionistic Year-End Donation

Due by June 30, 2025

Your Gift Makes a Lasting Impact

Every year, Lions Clubs throughout Wisconsin demonstrate incredible generosity. Your donations help fund essential projects, such as:

- **Wisconsin Lions Camp** – Providing exceptional camping experiences for individuals with disabilities, free of charge.
- **Eyeglass Recycling** – Our dedicated team meticulously sorts, cleans, reads and packages donated eyeglasses, ensuring they are ready for distribution to developing countries with limited access to eye health services.
- **Vision Screening** – Ensuring that every child has the best possible chance to succeed in learning and identifying vision problems that may lead to further issues, if left untreated.
- **Hearing** – Dedicated to providing free or low-cost hearing aids to Wisconsin residents who meet our eligibility criteria.
- **Diabetes Awareness** – Fighting the diabetes epidemic by raising awareness and educating communities and individuals about their risk.

Together, We Can Do More

Your donation has the power to change lives in your community, across the state and throughout the world. With every dollar, the Wisconsin Lions Foundation can expand its reach, enhance its projects, and continue to serve those who need it most. Together, we can provide vital services, promote inclusivity, and leave a lasting legacy of service for future generations.
