WELCOME

We are glad you're our guest!

On behalf of the entire staff of the Wisconsin Lions Foundation, Inc. welcome to Wisconsin Lions Camp. Whether this is your first time here or you have been coming here for years, we want you to know how glad we are that you are here.

Wisconsin Lions Camp is a very special place. In the summer, we host 10 memorable weeks of summer camp for individuals with disabilities from across Wisconsin. All of our summer camps are free-of-charge. The rest of the year, our facility is available for rentals guests, like yourself, to enjoy and experience the magic of Wisconsin Lions Camp for yourself.

We have worked hard to improve our guest experience. In an effort to anticipate your needs while you are here, we have expanded our amenities and completed extensive facility improvements.

Make sure to enjoy our newly completed multi-use hardcourt for basketball, tennis, and pickleball. Take some time in the woods and play a round of disc golf on our course that was just opened to the public in 2023. At the end of the day, make your way down to the lakefront to enjoy our newly completed pavilion with fire pit by our historic Totem Pole.

Please know that your Rentals Host is here to make sure you have an enjoyable experience. If there is anything that we can do to improve your stay, please let us know as soon as possible. Thank you for staying with us!

ABOUT US

Wisconsin Lions Foundation, Inc.

The Wisconsin Lions Foundation, Inc. (WLF) was formally organized in 1955 by the Wisconsin Lions Clubs to be the administrative arm of the Wisconsin Lions Camp. WLF is a 501(c)(3) non-profit organization and has grown to serve thousands of youth and adults. The five projects of WLF are Lions Camp, Eyeglass Recycling, Diabetes Awareness, Hearing and Vision Screening. Visit our website www.wlf.info for more information.

Wisconsin Lions Camp

Founded in 1956, the Wisconsin Lions Camp provides a free camping experience for Wisconsin youth and adults with disabilities. Campers participate in a variety of activities to help develop lifelong skills, including independence, teamwork, resiliency and a sense of purpose. Camp encourages connection with nature, builds self-esteem, nurtures friendships and promotes growth in a safe environment. Campers attend one of ten one-week sessions between June and August.

Eyeglass Recycling

The Eyeglass Recycling Center is one of only 19 Lions Club International certified recycling centers in the world. Last year, over 1 million eyeglasses were received by our recycling center. The eyeglasses are processed, washed, read, and then shipped to missions all over the world!

Diabetes Awareness

We are committed to fighting the diabetes epidemic by raising awareness and helping communities and individuals understand their risk. Thousands of pieces of informational materials are distributed annually to help raise awareness. This includes water bottle labels, coffee sleeves, bookmarks, books and more!

Hearing

We are dedicated to offering free or low-cost hearing aids to Wisconsinites who cannot afford to purchase them on their own and who do not qualify for state-funded assistance. To help with costs, WLF collects used hearing aids which are sent in for credit to purchase new ones for those in need.

Vision Screening

WLF administers this project throughout the State of Wisconsin. Trained Lions conduct vision screenings in local schools to check for early signs of vision problems and if appropriate, make referrals for additional screening/care.

RECOGNITION DONATION OPPORTUNITIES

Wall of Honor

- The Wall of Honor is designed to recognize Clubs, members, loved ones, businesses, and organizations for their support of the Wisconsin Lions Foundation. Each block can be purchased for just \$500 and supports the ongoing Building Fund. The Building Fund money is used for repair and maintenance of existing buildings, furnishings within the buildings, and new construction as needed. Blocks are 2" x 6" x 3/4" thick and are laser engraved with the donor's name. Call our office at 715-677-4969, email lskelley@wlf.info, or ask your Rentals Host for more information.

Friends and Honors Garden

- The Friends and Honors Garden is a beautiful flower, tree, and shrub garden complete with trellis work and water foundation. The purpose is to recognize friends of the Foundation for major contributions. The garden features a block and brick walkway leading to and throughout the various plantings. The main attraction in this beautiful and peaceful setting east of the Memorial Building is the 6' x 10' granite-clad walls for permanently inscribing recognition for the donors. Donations are accepted from individuals, clubs, and businesses who wish to honor, appreciate, or memorialize someone or themselves. A donation of \$5,000 or more provides the donor with a 12" x 12" diamond-shaped block. A donation of \$2,500 - \$4,999 provides a half a diamond. Call our office at 715-677-4969, email lskelley@wlf.info, or ask your Rentals Host for more information.
