About Us

The Wisconsin Lions Camp provides a free camp experience for youth and adults from Wisconsin with disabilities. We serve youth and adults who are Blind or Visually Impaired and Deaf or Hard of Hearing. We also serve youth and young adults with intellectual disabilities or autism, youth with diabetes and youth with epilepsy.

Since 1956, we have provided a safe and enjoyable camping experience for campers on our 440 acre property that includes a private 45 acre lake. We provide a wide variety of activities and plenty of opportunity to meet and socialize with others with the same disability.

We are a project of the Wisconsin Lions Foundation, Inc. which is primarily funded by donations from Wisconsin Lions Clubs, fundraisers, grants and other donations. We serve up to 1,200 campers a summer, and the cost for one camper is \$1,000.00.

In the morning our Hustle S'more happens, with a 1 mile donut dash, 5k walk/run and our 10k run on our camp property. Our 15 mile bike ride winds through the beautiful back roads of central Wisconsin. In the afternoon, our S'more Fun event begins. This event allows participants to explore and enjoy different areas of Camp, from our swimming area to our challenge course, for a fee. The fee also includes snacks and beverages to enjoy in our dining hall or out on our beautiful property.

Your support helps us to continue to provide these free camping experiences for our campers.
