About Wisconsin Lions Foundation

Wisconsin Lions Foundation, Inc.

The Wisconsin Lions Foundation, Inc. (WLF) was established in 1956 by the Wisconsin Lions Clubs to be the administrative arm of the Wisconsin Lions Camp, which was started to serve youth who are Blind or visually impaired. As a 501(c)(3) non-profit organization, WLF has grown to serve thousands of youth and adults across the state.

Our mission of "Reaching, Touching and Improving Lives" is accomplished through our work in our five statewide projects:

Wisconsin Lions Camp, serving up to 1,200 youth and adults with disabilities free of charge each summer.

Eyeglass Recycling, processing over one million pairs of glasses a year to be used in missions and trips to developing countries.

Vision Screening, using screening devices and eye charts to catch potential eye issues in children across the state.

Hearing, recycling used hearing aids for credit to provide new hearing aids to those who cannot afford them.

Diabetes Awareness, providing materials and resources to help Wisconsin residents understand their risks and how to prevent diabetes.

Through our fundraisers, Lions Club donations and donations from individuals, businesses and other supporters, we are able to positively impact the lives of people every day. We invite you to learn more about our projects and how you can join us in making a difference.

About Wisconsin Lions Camp

Lions Camp

Since 1956, Lions Camp has been dedicated to providing a quality camping experience for residents of Wisconsin with disabilities. Our primary objective is to provide a fun, safe and memorable camping experience which will have a positive impact on the camper's life.

Cost

There is no cost for any of the Camp sessions. A \$25 refundable application deposit is required to prevent no-shows.

Sessions

Sessions run Sunday through Thursday. Campers are responsible for their own transportation to and from Lions Camp. Volunteers will be called on to provide transportation for campers, as needed.

Activities

The daily schedule begins at approximately 7 a.m. and ends at 9 p.m. Campers have a rest period each afternoon. Some of the activities offered are swimming, canoeing, paddle boating, fishing, archery, arts and crafts, ropes course and a variety of noncompetitive sports. All activities are supervised by trained staff.

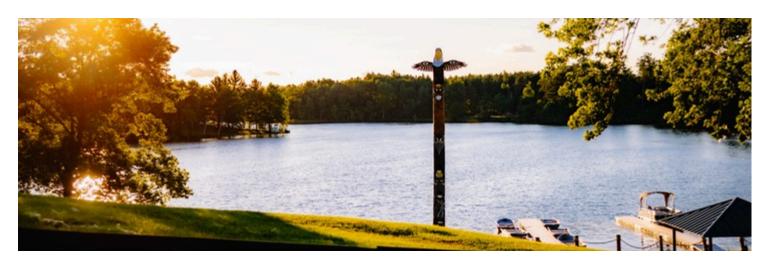

Applications

Camper and staff applications can be obtained by contacting the Camp Office or on our website: www.wisconsinlionscamp.com. Camper applications are available each year in January. Staff applications are available in November and as needed throughout the year.

In general, all campers must be a resident of the State of Wisconsin or attending school in the State of Wisconsin. They must be independent in their self-care skills, including being fully toilet trained. They must be socially and behaviorally able to function within a 1:6 staff to camper ratio. Specific requirements can be found on our website.

About Eyeglass Recycling

Eyeglass Recycling

Your old eyeglasses can bring the world into view for a person in need! Our center is one of 19 Lions Clubs International Certified Recycling Centers in the world.

On average, we collect and process over 1 million pairs of used eyeglasses annually.

Once the glasses are sorted, cleaned, read and packaged, they are shipped to many different developing countries around the world which have little to no access to eye health services.

Many different organizations take volunteers on organized missions to those countries to fit individuals with glasses from our Center free of charge.

3834 County Road A Rosholt, WI 54473

If your business or organization is interested in collecting eyeglasses for us or volunteering in our Center, please contact our Project Director at kmueller@wlf.info.

About Vision Screening

Vision Screening

Our Vision Screening Project is run in partnership with KidSight USA. The goal is to screen all children ages six months through 18 years for vision issues, with the emphasis on children enrolled in daycare centers and preschools.

Vision Screening is critical, because early detection and treatment ensures every child the best possible chance to succeed in learning. Nearly 85% of a child's learning is sight-related, and a child may not know they have an issue because the brain compensates for poor vision.

Wisconsin Lions members do most of the screening for this project and can become certified children vision screeners through WLF or KidSight USA. Once they complete the training and receive their certification, they are able to screen children in their communities.

Learn more about our Vision Screening project by visiting <u>wlf.info/our-work/vision-screening</u> or visit the Kids Sight USA website at <u>lionskidsightusa.org</u>

About Hearing

Hearing

Over 26 million Americans have hearing loss, making it the most common and widespread form of physical disability in the United States. It is a "silent" disability evoking little public recognition.

The Hearing Project offers hearing aids free of charge, or at a low cost, to Wisconsin residents who qualify under our eligibility requirements. The hearing aids are funded by collecting used hearing aids and recycling them for credit, as well as donations from individuals, Lions clubs and other organizations.

Potential recipients must fill out an application, which can be obtained by calling the WLF Office or downloaded from our website at wdf.info/hearing-resources. Applications are reviewed for eligibility and qualified recipients will be notified of the next steps. Hearing aid collection containers can be obtained free of charge, from the WLF Office.

About Diabetes Awareness

Diabetes Awareness

We are committed to fighting the diabetes epidemic by raising awareness and educating communities and individuals about their risk. WLF and our partners have created a comprehensive program centered around prevention, reducing risk and resources available about diabetes. We partner with Chronic Disease Prevention Program, Wisconsin Department of Health Services, Division of Public Health and National Kidney Foundation of Wisconsin (NKF) to provide resources at <a href="https://www.wisconsin.org/wisconsin-wisconsin.org/wisconsin.

There are many resources available including videos, brochures and other educational materials. The Wisconsin Lions Foundation also works to promote awareness during Diabetes Alert Day and National Diabetes Awareness Month each year.

Deer Hides for Lions Camp

This program started in 1988 while Lion Bernie Stuttgen of 27-C1 was talking with a few Lions regarding the annual deer hunting season and discussing how many deer hides are thrown out. He and the Thorp Lions decided to collect these deer hides, salt them down and sell them with all the proceeds going to support Wisconsin Lions Camp. That year, a total of \$399 was raised for the general fund for Camp. The Deer Hide Collection Program started out locally, expanded regionally and is now statewide, becoming the largest fundraiser for WLF.

Individuals, clubs and communities are encouraged to participate with WLF to collect deer hides for Lions Camp. It is our hope you choose to join numerous clubs throughout the State of Wisconsin who understand the importance of this program and its support of Lions Camp. To find a deer hide drop-off location near you, visit wlf. info/deer-hide-collection

Other Fundraising Events

Annual Birch-Sturm Memorial Golf Outing

This event supports all five projects of the Wisconsin Lions Foundation: Lions Camp, Eyeglass Recycling, Hearing, Diabetes Awareness and Vision Screening. You do not have to be a Birch-Sturm Fellow to participate. The event consists of a four-person scramble with a Shot Gun Start. Participants can win hole events, door prizes, raffles and a Hole in One contest with a \$10,000 cash prize. Dinner will also be served after golfing. If you are not a golfer, you can support us as a sponsor. This is an excellent way to promote a club, an event or simply advertise a business.

Hustle S'more & S'more Fun at Lions Camp

This event helps us continue to provide Camp free of charge. Morning events include a 1-mile Donut Dash for those who enjoy a slower pace, 5k run/walk, 10k run, or a 15-mile bike ride. The afternoon allows participants to experience some of Camp's most beloved activities including the adventure course, boating, swimming, wagon rides and more! If you are not able to attend, support us as a sponsor or fundraiser.

Where Your Donations Go

^{*}For Lions clubs, remember donations to the Wish List, Wall of Honor, Friends & Honors Garden, Lions Pride Endowment or Birch-Sturm Memorial Fund are not considered part of your Annual Donation

Come Visit Us

Visitor Days & Tours

We invite you on select Wednesdays throughout the summer to meet our dedicated staff, learn more about the five statewide projects and see the impact we have throughout the state and beyond. Visitor Days include a welcome in the Board Room, wagon or pontoon tour of the facility, tours of the Friends & Honors Garden, Lions Camp, Eyeglass Recycling Center and shopping at our Trading Post.

Spaces are limited and advance reservations are required by calling (715) 677-4969 or emailing *ppotter@wlf.info*. Reservations for the upcoming summer Visitor Days open each January. All are welcome to attend.

Spring, Fall & Winter Lions Club Tours and Meetings

Lions Clubs who would like their entire club to visit our facility outside of the summer months may schedule a tour or club meeting at Camp. Tour options include a walking tour of Camp, wagon ride (based on availability), tour of the Eyeglass Recycling Center and a Trading Post visit.

Club meetings may be scheduled in the Rec Shelter or WLF Board Room based on availability and grills are available for use. Due to the facility being rented by private groups throughout the year, advance reservations are required. Weekday reservations are preferred with weekend reservations considered on a case-by-case basis.

Camper Tours

Current or prospective campers and their families may schedule a private tour of Camp any time of the year. Advance reservations are required and can be made by contacting the Camp Office at (715) 677-4969 or emailing info@wisconsinlionscamp.com.

Rental Group Tours

Current or prospective rental groups may schedule a private tour of Camp any time of the year. Advance reservations are required and can be made by contacting our Rentals Office at (715) 677-4969 or emailing <u>rentals@wisconsinlionscamp.com</u>.
