INFORMATION FOR 2025 VISITOR DAYS

WHEN SHOULD I ARRIVE FOR MY TOUR?

Morning tours begin at 9am and afternoon tours begin at 1pm. Please plan to arrive 5-10 minutes before the start of your scheduled tour to get settled.

WHERE DO I GO WHEN I ARRIVE?

For your convenience we have created a map of the parking lots to use for your event. Once you park your vehicle, please go directly to the WLF Board Room to meet your tour group.

I WANT TO WALK AROUND CAMP, CAN I DO THAT IF I ARRIVE EARLY?

No, Visitor Days is run during times when we have campers onsite. For the safety and privacy of our campers, you are not allowed to walk around Camp unless escorted by a member of our staff. We will have plenty of time during the tour for you to see Camp.

CAN I TAKE PICTURES ON MY TOUR?

Yes, with some exceptions. We encourage you to take pictures of the beautiful scenery around Camp and for you to take selfies or pictures with your group. However, you are not allowed to take pictures of our campers. If you take a picture on the tour that accidentally includes a camper in the background, please delete that photo.

I PLAN ON BUYING ITEMS, DO I NEED CASH?

Our Trading Post (Camp Store) accepts cash, check and credit cards. If you are planning on purchasing deer hide gloves or a raffle ticket, please bring cash or check for those purchases.
